

## **Public Awareness Relating to Asbestos Regulations**

The Canton City Health Department, Air Pollution Control Division (APCD) is the contractual representative for Ohio EPA in air quality matters within Stark County. As such, APCD employees have authority to investigate and enforce Ohio EPA air pollution regulations.

Many owners and operators throughout Stark County are unaware there are federal and state asbestos regulations that regulate demolition and renovation projects. *Asbestos regulations may apply to your project. Please contact Canton City Health Department, Air Pollution Control Division at 330-489-3385.* They will be able to tell you what asbestos regulations would apply to your project and the requirements needed to comply with their rules/regulations.
