

PRESS RELEASE / PUBLIC NOTICE

DON'T DITCH IT!!

The Nimishillen Township Board of Trustees would like to remind residents of the community that the ditches and natural waterways leading to the ditches are not to be used for the disposal of yard and garden debris. During and after heavy rainstorms, roadside ditches will overflow due to the fact that tree trimmings and other yard waste have been put in the waterways and then washed into the ditches.

Any resident witnessing such an act should contact Trustee George P. Kiko at (330) 418-1095, Trustee Jennifer L. Leone at (330) 904-8631, Trustee Todd D. Bosley at (330) 323-9775, the Road Department at (330) 875-3511 or the Township Administrative Office at (330) 875-9924. Residents are reminded that all calls will be kept confidential.

Nimishillen Township's Recycling Bins and Composting Center are located at the Township Road Dept. located at 4915 N. Nickelplate. The Recycling Bins are available for all recyclable products (paper, plastics, aluminum, & cardboard).

For the 2019 Season the Compost Center will be open on **Wednesdays** and **Saturdays** from **7 a.m. to 7 p.m.** starting on **Wednesday, April 3, 2019.**

THIS IS A COUNTY-WIDE FACILITY THROUGH STARK COUNTY RECYCLING AND IS FREE TO ALL RESIDENTS.

PLEASE PUBLISH MONTHLY
(EPA Requirement)

APRIL 2019 THROUGH NOVEMBER 2019
